## Rollout Process

Dear Parent(s), Guardian(s), and Student(s):

The goal of the Clinton Prairie School Corporation these past four years has been to incorporate more technology into the classroom. Over the course of the last four years, teachers have used professional development days in preparation for our goal and for a move to a 1:1 program, which gives students enrolled in grades 7 through 12 a chromebook. This will allow us to meet our goal and transform how teachers teach and students learn.

With students in grades 7 through 12 having and/or receiving a chromebook for the 2019-2020 school year, comes the responsibility of using it wisely and productively as a learning resource. To help with that responsibility, there will be a mandatory parent/guardian and student instructional night for grades 7 and any newly enrolled students in grades 8 through 12. On this night, each student and parent/guardian will be receiving further information on the proper use and signing a policy agreement. Also, options for device insurance coverage will be explained. By signing the policy agreement, students will be allowed to receive his/her device on that evening. **Please have the Clinton Prairie Chromebook Agreement filled out and signed prior to the rollout. To find this document, please go to the Jr.-Sr. High homepage, click on the student tab and scroll to the 1:1 Chromebook Documents link. Students WILL NOT receive their digital device until the agreement is signed by both parties. Students in grades 8 through 12 that filled out an agreement form last year, do not need to complete an additional form as each student and parent are only required to complete this process once.**

## Insurance:

The School will sponsor an optional insurance program that must be renewed annually. To see information regarding this program, see the CPSC insurance flyer located on the Jr.-Sr. High homepage and Technology website. To view on the high school website, click on this [1:1 Chromebook Documents](#) link or [CPSC Technology](#) link.

## Why Insurance?

- \$25 dollar annual premium
- Covers **ALL** losses except for normal wear and tear, student neglect and manufacturer's defects
- \$0 deductible on all repairs
- Number of losses is not limited

## Cost of the most common repairs:

- LCD / Screen \$70.00
- Power Adapter \$20.00
- Keyboard \$60.00

\*\*\*These prices are based on the cost of parts today\*\*\*
