

Clinton Prairie School Corporation

Scott Miller, Superintendent

Mandi Mitchell, Treasurer

Vicki Bailey, Secretary

Dear Clinton Prairie School Community,

I am truly honored and humbled to begin my service as the Superintendent of the Clinton Prairie School Corporation. I consider it a privilege to have been appointed your new superintendent of schools. I wish to thank the CPSC school board for establishing a thorough interview process, and for entrusting me with the future success of the Clinton Prairie School Corporation. I am looking forward to partnering with our students, educators, families and community to ensure that we provide the best educational experience possible for all our students.

I know the past year has been very stressful for communities and school districts across our state and our nation. Many schools struggled with the issue of how to best educate their students, while still keeping everyone as safe as possible during a pandemic that none of us could have predicted or even imagined was possible. I must commend the Clinton Prairie School Corporation educators, school board, students, parents, and community for an amazing job of meeting Health Department guidelines to remain in session throughout the 2020-2021 school year. I am hopeful that the 2021-2022 school year will allow all of us to return to a "more normal" educational experience for our entire community

I wanted to tell you a little about me. I grew up on a small farm in Patricksburg, IN. I am proud to say that I was a 10 year 4-H member and I still enjoy spending time on my family's farm. I graduated from Owen Valley High School and went on to earn my Bachelors degree in History and Education from Ball State University. I later earned my Masters Degree in School Administration from Ball State and my Educational Specialist degree from Indiana State University. This will be my 25th year as an educator, all for Indiana Schools. During my career I have served as a Substitute teacher, Special Education teacher, Social Studies teacher, Football Coach, Wrestling Coach, Academic Coach, Athletic Director, Assistant Principal, Principal, and now as a Superintendent. I have been married to my wonderful wife, Lynn, for 20 years. We have two daughters. Ashley will be a junior in high school and Carly is entering the 4th grade.

While serving as your Superintendent, I plan to be accessible to all stakeholders and maintain an open door communication policy. I encourage and welcome any questions, comments, or concerns you have about our schools. Clinton Prairie students, educators, and families have every reason to be proud of their community and school district. I have been deeply impressed by the strong sense of community togetherness and the unparalleled dedication to the success of our students and school. I am thrilled to call the Clinton Prairie School District home and I look forward to working together on behalf of our students

Sincerely,

Scott B. Miller
Superintendent
